To All River Rats Sponsors, Host Families, and Fans:

Today the River Rats are launching our Online Press Release (OPR) Program, which allows subscribers to receive up-to-the-minute River Rats press releases and other news through e-mail.

Stories will include player signings, game reports, player and mascot appearances, and other news. It's also the best--and quickest--way to find out if a game has been rained out.

The next e-mail you receive from us will be the first press release in this program. If you would rather not subscribe to the OPR program now--or at any time--use the link at the bottom of the e-mail to unsubscribe and we'll remove you immediately.

If you know someone who would like to receive these updates, please forward this e-mail to them and ask them to use the newsletter sign-up link on our website at www.newbernriverrats.com.

Thank you for your continued support of the River Rats! As always, we welcome and and all suggestions for improving our fan experience!

About the River Rats:

The New Bern River Rats baseball club is a member of the Coastal Plain League, a high-profile wood-bat collegiate summer baseball league. This summer the River Rats will play 28 home games at New Bern High School's Boykin Field, opening the season on Wednesday, May 31 at 7:05 PM. The team's official website is www.newbernriverrats.com.

About the Coastal Plain League:

The Coastal Plain League is the nation's hottest summer collegiate baseball league. Celebrating its 10th anniversary season, the CPL is the largest summer league in the country, featuring 15 teams playing in North Carolina, South Carolina and Virginia. The CPL is certified by Major League Baseball, and gives college players the chance to refine their skills with wooden bats during the summer months. Players are housed with local host families for the summer and past experiences have been very positive for both players and hosts. For more information on the Coastal Plain League, please visit the league website at www.coastalplain.com.
